

10-DAY CHECKLIST OF THE BIRDS OF TRINIDAD AND TOBAGO

Compiled by William L. Murphy

Tufted Coquette. Photo by Peter LaTourrette

Information contained herein is based on records through February 1988. Names and the arrangement of bird species follow the 35th Supplement to the American Ornithologists' Union Checklist of North American Birds, where applicable. Special thanks are due to the managers and staff at the Mount St. Benedict Guest House, the Asa Wright Nature Centre, the Point-a-Pierre Wild Fowl Trust, the Trinidad and Tobago Field Naturalists Club, Caligo Ventures, and Wonder Bird Tours.

T = Trinidad only
To = Tobago only
No symbol = Present on both islands
R = Rare

Bar graphs depicting the seasonal distribution of all 366 regularly occurring bird species found in Trinidad and Tobago appear in W. L. Murphy's, A Birder's Guide to Trinidad and Tobago, available for US\$12.95 plus US\$1.50 shipping from Peregrine Enterprises, Inc. This book covers all aspects of travelling to and exploring the bird life of these fascinating islands. It contains 37 maps and photographs as well as an extensive bibliography of interesting reading.

A 30-minute cassette tape, Bird Sounds of Trinidad and Tobago, also is available from Peregrine Enterprises, Inc. The tape includes calls and songs of nearly 40 of the more common species of birds found on the islands of Trinidad and Tobago.
